March 29, 2010

Dear Parents:

As part of the Grades One and Two Science units, we will be going on a field trip to Science World at 1455 Quebec Street. At Science World, we will have a chance to explore the facility, as well as participate in workshops. The Grade Ones will learn about magnets, which is one of our focuses in science during the third term. The Grade Twos will explore the difference between rocks and soil and what happens when water and air get into the mix.

Our field trip will cost \$6.00 per student.

The students and parent volunteers will be transported to and from Science World by school bus. In order to help make our field trip more fun, successful, and interesting, we will require five parent volunteers from Grade One, and five parent volunteers from Grade Two. The first five parents from each grade who would like to join us will be contacted. If there are already five supervisors per grade, and you would still like to come on the field trip, there will be an extra cost of \$8.00 for the entrance fee. You will also be responsible for your own transportation as there will not be enough room on the bus. If you have a membership to Science World, you will be able to enter Science World using your membership card. For parents who would like to supervise on this field trip, please indicate on the form if you have a membership to Science World.

The field trip is on Thursday, April 15, 2010. We will be leaving from St. Jude at 12:15 pm, and we will return approximately at 2:30 pm. Both the Grade One and Grade Two workshop sessions are scheduled for 1:00 pm. Both workshops will last for approximately 40 minutes. Please return the attached consent form along with \$6.00 by Wednesday, April 7, 2010.

Thank you for your continued support.

Sincerely,

Mrs. S. Stanley

Mrs. T. Marando

Grade 1 Field Trip

Science World – Thursday, April 15, 2010

I Give permission for my child, _____, to participate in the field trip to Science World on Thursday, April 15, 2010. I understand that my child may be exposed to certain risks while participating in this activity and during transportation.

Accidents can be the result of the nature of the activity and can occur with or without any fault on either the part of the student, or the school or its employees or agents, or the facility where the activity is taking place. By allowing your son/daughter to participate in this activity and during transportation, you are accepting the risk of an accident occurring, and agree that this activity, as described above, is suitable for your child.

Students must return their signed informed consent form by Wednesday, April 7, 2010 in order to participate.

_____ Yes, I am able to supervise.

_____ Yes, I am able to supervise, and I have a membership to Science World.
